fixing changes #56

Re-run all jobs

Summary

All jobs

- .NET Build & Unit Tests
- Python Flow Tests
- Kong Config Validation
- Docker Build & Smoke Test
- Security Scan

Run details

- Usage
- Workflow file

Triggered via push 4 hours ago

Subhasis0007 pushed b0c3268 main

Status: Success

Total duration: 1m 4s

Artifacts: 1

ci.yml

on: push

| | |
|---|---|
| .NET Build & Unit Tests | 26s |
| Python Flow Tests | 38s |
| Kong Config Validation | 4s |
| Docker Build & Smoke Test | 58s |
| Security Scan | 7s |

dotnet-build-test · python-tests · kong-validate · docker-build · security — all green on push. Zero manual steps.

# SAP → Salesforce Price Sync

Agent reads SAP S/4HANA price · checks Salesforce pricebook · applies governance RAG rules · writes updated price · returns full audit trail

REACT AUDIT TRAIL

Curl

```
curl -X 'POST' \
  'https://azentix-enterprise.onrender.com/api/agents/execute' \
  -H 'accept: text/plain' \
  -H 'Content-Type: application/json' \
  -d '
{
  "taskType": "sap-salesforce-price-sync",
  "task": "sap-salesforce-price-sync",
  "description": "Sync SAP price for material TG11 to Salesforce",
  "priority": 2,
  "inputData": {
    "sapMaterialNumber": "TG11",
    "salesforceProductId": "01tgK00000Acmp3QAB"
  },
  "context": "SAP is the source of truth. Sync price to Salesforce Standard Pricebook."
}
'
```

Request URL

```
https://azentix-enterprise.onrender.com/api/agents/execute
```

Server response

| Code | Details |
|---|---|
| 200 | Response body |

```
{
  "taskId": "fe6044e4-5953-465a-8928-b702701035fa",
  "status": 2,
  "finalAnswer": "HumanReviewRequired",
  "errorMessage": null,
  "auditTrail": [
    {
      "iteration": 1,
      "timestamp": "2026-04-14T16:25:42.8359376Z",
      "agentThought": "The attempt to retrieve the Salesforce product using the provided ID also resulted in an error, suggesting that the product may not exist in Salesforce. Since I cannot fin
d the product, I will need to mark this task for human review to determine the next steps.\n\nFinal Answer: HumanReviewRequired",
      "agentAction": "",
      "actionResult": null,
      "tokensUsed": "?"
    }
  ],
